These copyrights and trademarks are solely owned by Harville Hendrix and Helen LaKelly Hunt.

Participant shall not use the term "Workshop" or the proprietary designations "Getting the Love You Want" or "Keeping the Love You Find" except that "Workshop" may be used in connection with activities not using or associated in any way with those proprietary designations, or Imago, or any other proprietary names of the IRI.

Participant shall not produce or reproduce in any form any Imago Relationship Therapy material or any rendition thereof, nor provide the nature of any Imago material to any unauthorized person for presentation, production, or distribution without prior written permission from IRI.

Participant shall not present Imago Relationship Therapy as a rendition of other programs or present other programs as a rendition of Imago Relationship Therapy.

Participant shall not use names or addresses from the Institute's data base unless Participant is specifically authorized to do so. Participant shall not share Institute inquiry information with any other parties for any other purposes.

SPEECHES, LECTURES, AND SEMINARS

Participant agrees to represent himself or herself publicly at the appropriate level of training or certification in accordance with the highest professional ethical and legal standards and to make every effort to insure that public media (radio/TV/print) identifies himself or herself correctly.

Participant further agrees to cooperate with the IRI in presenting a consistent representation of services and qualifications to the public at large to avoid confusion and misrepresentation.

Participant shall limit the length of speeches, lectures, and/or educational seminars on Imago Relationship Theory to four hours and to limit the subject matter to the theory of therapy only. Participant further agrees to limit demonstrations in these seminars to the Couples/Intentional Dialogue and the Positive Flooding exercise.

Participant may practice Imago Relationship Therapy with couples or groups of couples in their private practice in any desirable format, but Participant shall not offer public demonstrations and practice of "experiential/regressive" processes.

Participant shall represent all presentations to general and professional audiences as educational and in no manner indicate that such presentations constitute training or that such presentations grant any audience member the right to represent himself or herself as trained to practice Imago Relationship Therapy unless certified to do so by the Institute.

Participant may teach any and all materials in the public domain including materials from the Program, but shall omit public demonstrations and practice of

"experiential/regressive" processes and honor copyright laws regarding reproductions of any materials.
