

## Getting the Love You Want: A Workshop for Couples

---

### The Unique Design of this workshop is appropriate for you...

- If you want to enrich a good relationship
- If you are beginning a relationship you want to keep
- If you are in a difficult relationship and want to resolve longstanding conflicts
- If you are near break-up or divorce and want to decide if the relationship can be saved

**The Workshop includes** lectures, written exercises, guided imagery, and live demonstrations of necessary communication skills and processes. Although couples come together in a large group to hear these presentations, you share only with your partner, as confidentiality and safety is maintained throughout the workshop. A staff of support therapists is available to assist you throughout the workshop.

### What You Can Expect From Participating in a Couples Workshop:

- Greater compassion for your partner. This happens for everyone to a greater or lesser degree.
- New communication skills to break cycles of relating. Couples learn how to channel the energy from their arguments to create passion and stability in their relationships.
- Discovering how the unconscious forces that attract you to your partner are also the source of conflict.
- Participants receive more information about themselves and their partner, organized in a new, more thoughtful way.
- New tools for re-romanticizing relationship to re-establish the passion of your early time together.
- Help each other finish childhood.
- Learning how to use your relationship for emotional healing and spiritual evolution.
