Basic Clinical Training in Imago Relationship Therapy

The Certified Imago Therapist Designation®

Graduates of this track are eligible to represent themselves as Certified Imago Therapists®. They may utilize Imago Relationship Therapy in their practices. They may present at conferences and various meetings up to four hours in length and may demonstrate the Intentional Dialogue and the Flooding of Admiration techniques in public. They may use this designation for all speaking engagements and will be referred to as Certified Imago Therapists® during speaking engagements conducted by the Institute.
