

*Open only to  
Certified Clinical  
Instructors*

**Certification Permissions:**

Graduates may:

1. Represent themselves publicly as Certified Senior Clinical Instructor.
2. Teach all levels of course work offered by the Institute.

**Admission Requirements:**

The Certified Senior Clinical Instructor Training Program is open to all Clinical Instructors who have a minimum of two years experience as a Certified Clinical Instructor® and have taught at least two Basic Clinical Training courses while being fully Certified. To become a fully Certified Senior clinical Instructor®, one must take ALL the courses listed below.

**Course Requirements:**

1. Preparation for Committed Partnership: Singles Clinical Training
  - a. Apprentice doing it once with either an MT or someone who is presently certified to teach this course (see below).
  - b. Cost: none
2. Characterological Growth: The Three Day Experience
  - a. Apprentice doing it once with either an MT or someone who is presently certified to teach this course (see below).
  - b. Cost: none
3. Couples Workshop Presenters Training
  - a. Assist doing the actual Couples Workshop once with either an MT or someone who is presently certified to teach this course (see below).
  - b. Apprentice doing the Couples Workshop Presenters Training once with either an MT or someone who is presently certified to teach this course (see below).
  - c. Spend the three full days with your “trainer” working through the important pieces. Maya and Bruce will write up a suggested outline of what those three days of training might look like.
  - d. Cost: \$600

4. **Individual and Singles Workshop Presenters Training**
  - a. **Assist doing the actual Individual and Singles Workshop once with either an MT or someone who is presently certified to teach this course (see below).**
  - b. **Apprentice doing the Individual and Singles Workshop Presenters Training Program once with either an MT or someone who is presently certified to teach this course (see below).**
  - c. **Spend one full day with your “trainer” working through the important pieces. Maya and Bruce will write up a suggested outline of what that day of training might look like.**
  - d. **Cost: \$200**
  
5. **Clinical Instructors Training Program**
  - a. **Apprentice doing the Basic Clinical Training Program once with either an MT or someone who is presently certified to teach this course (see below).**
  - b. **Spend four full days with that same “trainer” working through the important pieces. These four days do not need to be together, i.e.: they could be one day after each module. Maya and Bruce will write up a suggested outline of what those four days might look like.**
  - c. **Cost: \$800**

**IMPORTANT NOTE:**

**Only a fully Certified Senior Clinical Instructor® may teach the Clinical Instructors Training Program.**

**CE Credits: Number of CE credits matches the number of class hours.**

**The Registration Form is to be sent to: IRI Training Department, 250 Blackwater Pl, Longwood Florida 32750. Make sure you send a copy of the Registration Form and the payment to the Clinical Instructor so that they have you on their roster of Trainees.**
